Intended to be held in a manner which would allow Eurosysteem eligibility:	Yes Note that the designation “yes” simply means that the Covered Bonds are intended upon issue to be held in a form which would allow Eurosysteem eligibility (i.e. issued in dematerialised form (<i>emesse in forma dematerializzata</i>) and wholly and exclusively deposited with Monte Titoli in accordance with 83-bis of Italian legislative decree No. 58 of 24 February 1998, as amended, through the authorised institutions listed in article 83-quater of such legislative decree) and does not necessarily mean that the Covered Bonds will be recognised as eligible collateral for Eurosysteem monetary policy and intra day credit operations by the Eurosysteem either upon issue or at any or all times during their life. Such recognition will depend upon the ECB being satisfied that Eurosysteem eligibility criteria have been met.
